

How to add support@myweego.com to your address book, contacts and/or safe senders list:

Microsoft Outlook

Please add our domain name (myweego.com) or "from" address (for example: support@myweego.com) to your Safe Senders list. To add us to your Safe Senders list:

Microsoft Outlook 2010

1. On the "Home" tab, click "Junk," and then click "Junk E-mail Options".
2. On the "SafeSenders" tab, click "Add".
3. In the "Enter an e-mail address or Internet domain name to be added to the list" field, enter "myweego.com".
4. Click "OK".

Microsoft Outlook 2003-2007

1. On the "Tools" menu, click "Options".
2. On the "Preferences" tab, click "Junk E-mail".
3. On the "Safe Senders" tab, click "Add".
4. In the "Add Address" field, enter "myweego.com".
5. Click "OK".

Missing an e-mail? Check if our e-mail is in your "Junk E-mail Folder." If it is, right click on the e-mail, select "Junk E-mail" and click "Add Sender's Domain to Safe Senders List."

Gmail

Please add our "from" address (for example: support@myweego.com) to your Gmail contacts list. To add us to your contact list:

1. Click "Contacts" along the left side of any Gmail page.
2. Click "Add New Contact".
3. Copy and paste our "From" address, "support@myweego.com", into the primary e-mail address dialog box.
4. Click "Create".
5. Edit the contact information, as appropriate, and click "Save."

Missing an e-mail? Check if our e-mail is in the "Spam" folder:

1. Click "Spam" along the left side of any Gmail page.
2. If you see any Weego e-mail listed among the messages in this folder, check the box next to our e-mail.
3. Click the "Not Spam" button along the top.

Outlook.com (Formerly Hotmail)

Please add our "from" address (for example: support@myweego.com) to your Safe Senders list. To add us to your Safe Senders list:

1. Open your mailbox and click "Options" (upper right hand corner).
2. Select "More options > Safe and blocked senders > Safe senders".
3. In the space provided, paste support@myweego.com.
4. Select "Add to list".
5. Ensure the safe mailing lists box has the address you entered, and select "OK".

Missing an e-mail? Check if our e-mail is in your "Junk E-mail Folder." If it is, open the e-mail and click the "Not Junk" button. Next, check to see if our e-mail address is in your "Blocked Senders" list. If you see a message from myweego.com on this list, select it and click the "Remove" button. Finally, if you have not done so, add our "from" address (for example: support@myweego.com) to your Safe Senders list as described above.

AOL

Please add our "from" address (for example: support@myweego.com) to your Safe Senders list. To add us to your Safe Senders list:

1. From your mailbox screen, click on "Settings."
2. Click on the "Custom" drop down option in the "Spam Filters by Address" section
3. Select the "Allow mail from" radio button and type or copy and paste "support@myweego.com" in the area provided
4. Click the "Add" and then the "Save" buttons

Missing an e-mail? Check if our e-mail is in your "AOL Spam Folder." If it is, please open the e-mail and then click the "This Is Not Spam" button. Next, please add "support@myweego.com" to your address book as described above.

Yahoo!

You must set up a filter to redirect our e-mails and/or newsletters into your inbox:

1. Open your mailbox and click on "Settings from the pull-down menu below the help icon (upper right hand corner).
2. Select Filters.
3. In the "From" line, leave the pull down as "contains" and enter "myweego.com" in the text box.
4. Set the "Then move the message to this folder" pull-down on "Inbox."
5. Click the "Save" button.

Missing an e-mail? Check if our e-mail is in your Yahoo! "Spam" folder". If it is, please open the e-mail and click the "Not Spam" button. Next, check to see if the address the e-mail was sent from is in

your "Blocked Addresses" list. If you see "support@myweego.com" on this list, select it and click the "Remove Block" button. Finally, please set up a filter as outlined above.
